Our Services

We are independent financial advisers.

We will act on your behalf for the purposes of arranging and advising on pure protection, investments, pensions, mortgages, healthcare and general insurance. Under the terms of Financial Conduct Authority regulation, we will classify you as a Retail Client for Investment, Pension and Annuity Business; as a customer for mortgage business and as a consumer for insurance business. We will act in your best interests at all times.

We are authorised and regulated by the Financial Conduct Authority (FCA). The FCA regulates the financial services industry in the UK and their address is 12 Endeavour Square London E20 1JN. Talis Financial Advisers Limited is entered on the FCA register (www.fca.org.uk/register) under reference 150458. Our address and contact details appear at the top of this document. We may also advise on products and services which are not regulated by the Financial Conduct Authority. We will tell you where this is the case.

We operate independently and therefore provide investment services, Structured Deposits and mortgages from the whole market and from a range of insurers for non-investment insurance. Non-investment insurance includes term insurance, mortgage payment protection insurance, critical illness insurance, income protection insurance, buildings insurance, contents insurance, accident, sickness and unemployment insurance. We treat advising on insurance-based investment products (IBIPs). IBIPs include onshore and offshore investment bonds, and whole of life contracts with an investment element in the same way as we treat investments described below.

Often clients request that we take over the agency of existing plans to simplify administration and provide a single point of contact in the event of future query. Talis will not review the suitability of such existing plans unless this service is specifically requested and an appropriate fee is agreed for the work involved.

Services to be provided - Investment

With regards to any investments which we have arranged for you, these will **not** be kept under review unless otherwise agreed in writing. However, we may contact you in the future by means of an unsolicited promotion should we wish to contact you to discuss the relative merits of an investment or service which we feel may be of interest to you.

On issue of this letter any subsequent advice or recommendation offered to you will be based upon your stated investment objectives, acceptable level of risk and any restrictions you wish to place on the type of investments or policies you are willing to consider. We will issue you a suitability report to confirm our recommendation. Unless otherwise stated we will not place any restrictions on our recommendations.

We will arrange for all your investments to be registered in your name unless you first instruct us otherwise in writing. We will forward you all documents showing ownership of your investments as soon as practicable after we receive them. Where a number of documents are due, involving a series of transactions, we normally hold each document until the series is complete, then forward them to you.

Services to be provided - Insurance

Following the issue of this letter, any subsequent advice or recommendation offered to you will be based on your stated objectives, acceptable level of risk and any instructions you wish to make regarding the type of insurance policies you are willing to consider. Details of your stated objectives will be included in the Demands and Needs Statement we issue to you confirming the reasons for our recommendations. Insurance-based investment products (IBIPs) will be transacted as Investments.

Full details of any Insurance-based investment products recommended will be confirmed in the product literature you will receive before it is arranged. We will inform you if any investment we recommend restricts future access to your capital and we will also offer ongoing suitability checks.

Services to be provided – Mortgages

We will advise and make a recommendation for you after we have assessed your needs. We will consider all products and lenders that we have access to. This means we will not consider those lenders that are only available by you going direct to them.

Where you are solely increasing your borrowing, we will consider the merits of both a new first charge mortgage and an additional mortgage on a second charge basis. We will also consider a further advance from your existing lender and borrowing through an unsecured loan.

You have a right to waive the seven-day reflection period and accept the offer at an earlier point.

Please note that commercial mortgages and some buy-to-let mortgages are not regulated by the FCA nor are they covered by the Financial Services Compensation Scheme. 'Consumer buy-to-let' mortgages are regulated.

Restrictions

Unless advised to the contrary, we will assume that you wish to place no restrictions on the types of investment or insurances we may recommend and in which you may subsequently invest. We will assume that you wish to place no restrictions on the markets in which transactions are to be executed.

Advice and Instructions

Any advice given to you by us shall be in writing and in plain English. We can only accept dealing instructions in writing or electronically, to aid clarification and avoid future misunderstandings. We may, at our discretion, refuse to accept instructions although such discretion shall not be exercised unreasonably. We will record all transactions on our files which, along with copies of relevant documentation, will be retained by us for a period of not less than six years. You have a right to inspect copies of contract notes, vouchers and entries in our books or computerised records relating to your transactions. We reserve the right to withhold copies of these records if information to other parties would be disclosed.

How we charge you for our services

Not all firms charge for advice in the same way. We will discuss your payment options with you and answer any questions you have. We will not charge you anything until you have agreed how we are to be paid. We have listed below the options available to you. Whether you buy a product or not, on completion of our work, you will pay us a fee for our advice and services.

Insurance Business - You have the option to pay our fees directly, or through commission.

Mortgage Business – You have the option to pay our fees directly and/ or through a lender procurement fee. There will be no refund of our initial fee if your mortgage does not proceed. Should you wish you can request to view the commission rates from each of the lenders we have considered at the time that we make our recommendation to you. We will tell you if you have to pay VAT. Other costs, including taxes (e.g. stamp duty) related to the business we arrange, may arise; these costs will not be paid by our firm but borne by you.

Regular Contribution Investments

Regular contributions will be charged by an initial fee and/ or an on-going charge as specifically agreed.

Lump Sum Investments

Our fee is based on a tiered scale as follows:

The first £100,000 invested	Charged at 3%	£3,000
The next £100,000 invested	Charged at 2.5%	£2,500
The next £100,000 invested	Charged at 2%	£2,000
The next £100,000 invested	Charged at 1.5%	£1,500
The next £100,000 +	Charged 1%	

Example: for advising on and implementing an investment of £200,000 our fee would be 3% of the first £100,000 (£3,000) plus 2.5% of the next £100,000 (£2,500) = £5,500

Investment, Pension and Annuity Business - Our fees can be paid directly or deducted from products.

Mortgage Advice and Arrangement Fees

Typical implementation fee 0.3% of the loan, subject to a minimum of £795. For a £300,000 mortgage this would be £900. More complex mortgages may be subject to a higher implementation fee. Minimum initial fee £795.

Please note our fee will still be charged should the lender reject your mortgage application due to you not disclosing any material information about your personal situation. Please note we do not provide a refund should you decide not to proceed with the mortgage loan after we have made a recommendation to you.

Annuity Advice and Arrangement Fees

Research and advice £495

Implementation fee 1.5% of fund for standard annuities. For a £100,000 fund this would be £1,500.

Enhanced annuities or more complex situations may be subject to a higher implementation fee.

Other Services

We provide a variety of other services not covered by the above, where we will agree affixed price before we commence work. We may agree a fee based on our hourly rates below. You may ask us for an estimate of how much in total we might charge. You may also ask us not to exceed a given amount without checking with you first.

Hourly Rate

Director/ Senior adviser/ Chartered Financial Planner	£250 per hour
Financial Adviser	£195 per hour
Paraplanner	£125 per hour
Administration	£65 per hour

For example, preparing a basic cashflow report on retirement income to include future funding requirements, benchmarking of current investment(s) and flexibility of current plan. 1 hour of admin at £65; 2 hours of paraplanning at £125 = £250; plus 2 hours of adviser time at £195 = £390; a total of £65 + £250 + £390 = £705

Your Protection

We only accept dealing instructions in writing, this includes email. We may refuse at our discretion to accept certain instructions, although such discretion will not be exercised unreasonably.

Talis does not handle clients' money. We never handle cash or accept a cheque made out to us, unless the cheque is in settlement of charges or disbursements for which we have sent you an invoice.

We will normally register all products and/or investments in your name unless otherwise instructed in writing. In certain circumstances products and/or investments may be registered in the name of a nominee company, for ease of administration, although you will remain the beneficial owner of those products and/or investments.

If we become aware that our interests, or those of another client, conflicts with your interests, we will inform you in writing and obtain your consent prior to proceeding with your instructions.

Risk Warnings

We will communicate appropriate risk warnings prior to providing products or services. These are for your benefit as you should understand any risks before making an investment.

Complaints and Compensation

Our clients value the service we provide and often recommend us to others in the unlikely event that you are dissatisfied or wish to register a complaint please contact our Dispute Resolution Officer in writing, by email or by phone. The appropriate contact details appear at the head of this document.

Our written complaints procedure is available upon request. If we cannot settle your complaint, you may be entitled to refer it to the Financial Ombudsman Service (FOS). Further information about the FOS is available from their website:

www.financial-ombudsman.org.uk

If you make a complaint and we are unable to meet our liabilities, you may be entitled to compensation from the Financial Services Compensation Scheme.

Investment business will normally be covered up to a maximum of £50,000 per person per firm.

Further information about these amounts and limits for all other product types are available from the FSCS at:

<http://www.fscs.org.uk/what-we-cover/products>

Right to Cancel

We will inform you of your statutory right to cancel. The Distance Marketing Directive normally grants you 30 days in which you may cancel a life or pension contract. However, there will be occasions where no statutory rights are granted, however this will be explained before any contract is concluded.

In general terms, you will have a 30-day cancellation period for a pure protection policy and a 14-day cancellation period for a general insurance policy.

Our instruction may be terminated at any time, by either party. Notice of termination must be given in writing and will take effect immediately upon receipt. Termination will be without prejudice to the completion of transactions already commenced on your behalf or any rights or obligations already arising. You would be expected to pay for any costs incurred up to the date of termination or a due proportion of any fees previously agreed.
